The results of the survey are tallied and shared with the faculty for their thoughts on ways to improve our PFEP for the following year. An evaluation of the current PFEP is completed during a SAC meeting. Based on the evaluation and survey results, revisions to the plan are made for the following school year. The plan will be reviewed during SAC meetings throughout the year to make revisions according to the changing needs of parents and the school.
(B) By what means will the school provide parents opportunities, if requested, for regular meetings to formulate suggestions and to participate, as appropriate, im making decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible (Section 1116 (c) (4) (C)?	Evaluation forms at parenting events, IEP meetings, parent-teacher conferences, SAC meetings, and CST meetings will offer opportunities for parents to participate in their student's education. Suggestions made by parents, if practical and reasonable, will be implemented in a timely manner.
(C) By what means will the school involve parents in the joint development of the School Improvement Plan (Section 1116(A)(2)? (D) If the School Improvement Plan is not satisfactory to the parents, by what means will the school provide parents an opportunity to submit comments with the plan when it is submitted to the district (Section 1116 (c) (5)?	Parents who are not satisfied with the schoolwide improvement plan will complete a form to be submitted with the plan to the district.

B. By what means will the school provide parents with <u>timely information</u> about meetings, activities, and events <u>(Section 1116(c)(4)(A))</u>.
