

Florida High School Athletic Association

Verification of Student Controlled Open Enrollment Option with Public School District or Charter/Lab School Board

This form is only to be completed if the "Non-Traditional" student wishes to participate for a public school (including a charter school) that is not the public school the student is zoned to attend pursuant to § 1002.31. F.S. Section A of this form must be completed by student's parent/legal guardian. Section B must be completed by the public school district or charter/lab school board of the school at which the student wishes to participate (Note: this may be in a county differt than the county in which the student resides). Note: this form must be submitted to the FHSAA office prior to participation. Address questions to eligibility@fhsaa.org.
