

## Low Cost Internet Options

Parents or guardians will need to contact the provider for more information on how to qualify or connect for the services offered. Bay District Schools is not recommending a specific provider. Providers appear in alphabetical order. **If your internet provider is not listed below, please contact them directly. Just because your provider is not listed does not mean that your provider does not offer a low cost internet.**

### **AT&T Offering:**

**Access from AT&T Program** <https://www.att.com/shop/internet/access/#/>

If you have at least one child receiving free or reduced price school lunches, your family may qualify for an affordable home internet service through AT&T. For more information, visit the following site:
