

**District Proposal #1**  
**September 10, 2025**

~~2.8 Any teacher who is a member of the Association, or who has applied for membership, may sign and cause to be delivered to the Board an assignment authorizing deduction of membership dues in the Association.~~

~~Pursuant to such authorization the Board shall deduct such sum as authorized in equal payments from the teacher's regular salary check beginning with the next salary check received by the teacher upon receipt of the dues authorization form by the district payroll office and continuing on all regular salary checks received. Such authorization shall continue in effect as long as the Association remains the certified bargaining agent for employees in this unit. The Board agrees to remit dues collected on behalf of the Association semi-monthly. Such authorization shall continue in effect from year to year thereafter, unless revoked in writing. Any teacher revoking dues deduction must complete a dues revocation form, in person, at the ABCE office. The Association shall inform members of the revocation process at least annually through its newsletter or other means of communication. The revocation will be effective on the first payroll after the conclusion of a thirty (30) day period or effective upon the approval of the Association. The thirty (30) day period shall commence on the day the member completes the dues revocation form at the ABCE office. The Association will be responsible for submitting the revocation form to the district payroll office. The Association shall publish to its general membership the amount of annual dues prior to the first payroll date. If a change in dues occurs, teachers shall be notified by the Association.~~
