

- 5.4 In the event of a heating or air conditioning malfunction, the facility manager shall report the condition to the proper Board department who shall make every reasonable effort to correct the condition. Arrangements will be made by the facility manager to relocate classes to areas that are properly heated/cooled and ventilated. If the entire school is affected by the above problems or a water disruption, the district office will address the issue as a priority. **Upon 8 hours notice by the teacher to administration, air conditioning will be on at normal work-day temperature settings over the weekend/holiday as requested by the teacher.**
