II. PARENTAL PERMISSION --To Be Completed by Parent/Guardian

I hereby authorize the above-named Healthcare Provider and Bay District Schools, Charter Schools, and PanCare of Florida, Inc. staff to reciprocally release verbal, written, faxed, or electronic student health information regarding the above-named child for giving necessary medication or treatment while at school. I understand Bay District Schools, Charter Schools, and PanCare protect and secure the privacy of student health and education information as required by federal and state law and in all forms of records, including, but not limited to, those that are oral, written, faxed or electronic. I request that my child be assisted in taking the medication or treatment described above at school by authorized persons as permitted by me and my physician. I understand that all procedures will be implemented in accordance with Florida state law and regulations and may be performed by unlicensed designated school personnel (FL Statute 1006.062) under the training provided by the school nurse.

It is understood there shall be no liability for civil damages as a result of the administration of the medication when the person administering the medication acts as an ordinarily reasonably prudent person would have acted under the same or similar circumstances. All medication **MUST** be brought to the school by a responsible adult in the original container. If possible, the first dose of any of any new seizure medication should be given in a controlled medical environment. Medication orders **MUST** be renewed by the attending physician and this release signed by the parent or guardian at the beginning of each school year.
