

CTE NEWSLETTER

Just the Facts: Nearly 70% of CTE Students are satisfied with their ability to engage with employers, compared to only 32% of prospective CTE students.

~ Advanced CTE 2019

APRIL 2019 CTE TESTING IS UNDERWAY!!! GOOD LUCK

Jennifer Hall teaches Hospitality and Entrepreneurship CTE Career Pathways at Mosley High School. Mr. Bullock, Principal of Mosley High School, shares the following about Ms. Hall - "This is the second year of these courses and Mrs. Hall has done a great job of building her programs from the ground up. There have been obstacles along the way, but she always figures out a plan to overcome any challenges. Jennifer is a valued member in her CTE department as she is always willing to help her peers with any activities. She is always willing to help proctor other Industry Certification exams and always has a smile on her face."

Students shared these thoughts about Ms. Hall's classroom and instruction.

"She makes the classroom feel like a home with the way she treats us like a family." -- Katelynn Reagan

"She makes sure that everyone understands the material with an individualized approach to the lessons." -- Nikita Paskevich

Her co-worker Patrick Hair shared that her students like her and understand her rules. She has policies and procedures in place that her students will follow. When she's not in her room, her students know the routine for obtaining laptops, working on assignments, and leaving the classroom.

"CTE Works" Guest Speaker to address CTE Students at each high school August 26th on necessary work ethic skills.

UPCOMING DATES AND EVENTS

Perkins 2019 - 2020 requests were due March 29th. If you have not turned yours in please do so ASAP.

Program Evaluations are due April 26th

April is CTE Student Survey Month. Have your students take the survey by May 1st. Links below

STUDENT SURVEYS

Last year CTE students took surveys regarding their CTE experiences and we got wonderful feedback. We are making this an annual part of participating in CTE programs.

Seniors will take a separate Survey which asks if we can follow up and see how they are doing in a year.

Senior Link to Survey

CTE SIGNING DAY

Bay District School's Career and Technical Education 1st Annual Signing Event will occur at each high school one day between May 13th to May 24th.

CTE Teachers are working on getting their lists together now. We are honoring students who will work full-time upon graduation in their career pathway, students who have earned a Haney Technical Center Scholarship and students who are going to Gulf Coast State College to continue thier high school career pathway instruction.

CAREER PATHWAY NEXT YEAR.**

WELDING SIMULATORS INSTALLED AT RUTHERFORD HIGH SCHOOL

Rutherford High School Construction and Manufacturing Teachers receive training on the newly installed welding simulators. Students will begin using the equipment in April as they explore welding careers and skills. Eric Johnson, Haney Technical Center Welding Instrurctor and Lincoln Electric Trainer provide hands-on training.
