CHANDRA TYSON SAYS HELLO :)

CHANDRA IS THE NEW CTE COORDINATOR - HERE IS A LITTLE ABOUT HER!

Dear Colleagues,
Welcome Back to the 2020-21 school year! It has been a great honor for me to join the CTE Department under Mrs. Patterson (Beth's) leadership. I am delighted to be a part of this amazing CTE community. Most of you I have met either in person or virtually and I have appreciated your warmth and positive energy. Prior to my appointment as the CTE Coordinator, I have served in Bay District Schools; as well as, the School District of Hillsborough County as an Assistant Principal, Coordinator of the Parent Education Center, Supervisor of Elementary Education, Childcare Director, TOSA, Supervising Teacher of Interns, etc.

I do not need to remind you of how relevant and important your expertise and jobs are to our school district and community.

Thank you for your focus, commitment, and collaboration as we move forward toward increased growth in industry certification completers, student enrollment into CTE programs, and business/community partnerships. Emerson said, "Do not go where the path may lead, go instead where there is no path and leave a trail."

I am confident that TOGETHER, we will blaze a trail filled with great learning and success.

Warmest Regards,
Chandra
