NEW TO BAY DISTRICT SCHOOLS

1. I'm new to Bay County; how do I find out where my child goes to school?

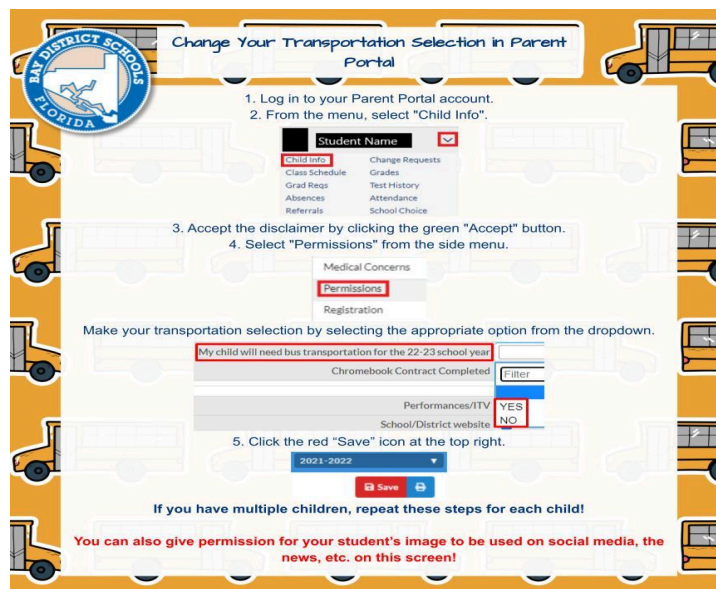

The zoning information is on our website (www.bay.k12.fl.us) under the topic I want to ... "Find My Zoned School." Click on the link and type in your address and zip code. It will inform you which school is your child's zoned school.

2. I know where my child will go to school. How do I register him/her?

You can access our registration guidelines at (www.bay.k12.fl.us) under the topic I want to... "Register My Child." New student registration (PreK -12) is done by visiting your zoned school.

3. My child will need to ride the bus. How do I make that happen?

Log into Parent Portal in FOCUS. Then, go to the Permissions tab and select "Yes" in the section titled "My child will need bus transportation." Directions for this are here:

4. How much does lunch cost?

School meals will not be free for all students this year because the Federal Government did not approve that waiver. Free/Reduced applications open again on August 1. Students who receive SNAP, TANF or MEDICAID will eat free. Full-priced meals will be as follows:

ELEMENTARY BREAKFAST \$1.25
SECONDARY (6-12) BREAKFAST \$1.50

GETTING ORGANIZED

1. Where do I find school supply lists for my school?

Our schools are developing school supply lists, which will be available in late July on our website (www.bay.k12.fl.us) under the “Back to School 2024-2025” tab. Please note that most high schools do not share a school supply list before school begins. However, high school teachers will share a list of any needed items with students during the first few days of school.

2. What does my student need to wear to school?

Bay District Schools has a dress code that you can find on our website (www.bay.k12.fl.us) under the “Back to School 2024-2025” tab. Students are encouraged to wear school-appropriate clothing that doesn’t create a distraction for others. Students who choose not to follow the dress code will face disciplinary consequences and their parents will be asked to bring replacement clothing items to school ASAP.

3. Where do I find bus routes for this school year?

Bus Routes for the new school year will be available on August 1, 2024, at www.bay.k12.fl.us

4. Is there an orientation for my student? How do I find that schedule?

All schools are in the process of developing schedules for orientations. Schedules will be shared on our website (www.bay.k12.fl.us) under the “Back to School 2024-2025” tab in mid-July.

5. Are open houses already scheduled? Where’s the list?

Open houses are a great way to stay in touch with your child’s school and to meet his/her teacher(s) if you haven’t already done so. Typically Open Houses occur in September and the schedules are published in early August on our website (www.bay.k12.fl.us) under the “Back to School 2024-2025” tab.

6. How early can I drop my elementary school child off in the morning?

Please remember that before-school supervision for elementary school typically does not begin until 7:05 a.m. You can check with your child’s school for their specific schedule, but please DO NOT drop your students off before morning supervision begins.

7. How do I ensure another family member can pick up/check out my child from school?

All family members/friends authorized to complete these processes for your child MUST be listed on the child’s Parent Portal account. If you need assistance setting this up, please contact your child’s school.

8. Where do I find the school calendar?

School calendars are approved a year in advance and can be found on our website at www.bay.k12.fl.us.

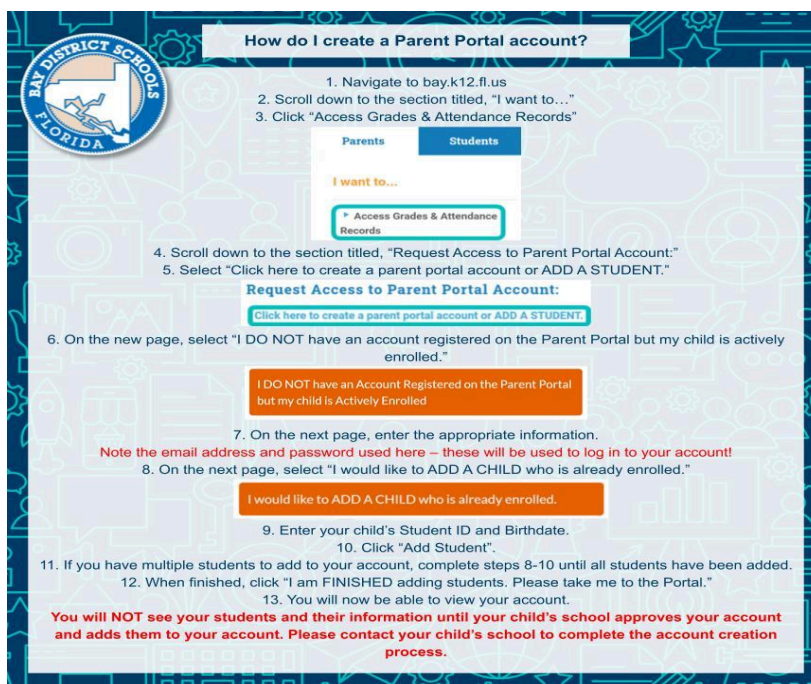

9. How can I ensure I don’t miss an important update from my child’s school?

Great question! We work hard to communicate transparently and frequently, and we want to make sure we can get in touch with you with routine updates AND emergency information. Please ensure your Parent Portal account is updated with working phone numbers and email addresses so we can stay connected. If you need help with this, just reach out to your child's school

STAYING IN TOUCH

1. How do I make sure the school can contact me in an emergency?

School teachers and staff access parent/guardian contact information from the information you enter in Focus (also known as Parent Portal). Throughout the school year, you must regularly update your contact information (phone number, email address, emergency contacts, etc.). You can access Parent Portal at focus.bayschools.net to update your information. If you need to create a Parent Portal account, here are the instructions:

The screenshot shows a webpage titled "How do I create a Parent Portal account?". It features the Bay District Schools Florida logo on the left. The page contains a list of 13 numbered instructions for creating an account. A central screenshot shows a user interface with "Parents" and "Students" tabs, and a "I want to..." dropdown menu with "Access Grades & Attendance Records" selected. Below the instructions, there are two orange buttons: "I DO NOT have an Account Registered on the Parent Portal but my child is Actively Enrolled" and "I would like to ADD A CHILD who is already enrolled." A red warning message at the bottom states: "You will NOT see your students and their information until your child's school approves your account and adds them to your account. Please contact your child's school to complete the account creation process."

1. Navigate to bay.k12.fl.us

8. On the next page, select "I would like to ADD A CHILD who is already enrolled."

10. Click "Add Student".
11. If you have multiple students to add to your account, complete steps 8-10 until all students have been added.

13. You will now be able to view your account.

You will NOT see your students and their information until your child's school approves your account and adds them to your account. Please contact your child's school to complete the account creation process.

2. How do I stay connected to my child's teacher?

3. I have forgotten my Parent Portal password/login. Who can help me?

Use the password reset link on the Parent Portal homepage (focus.bayschools.net):

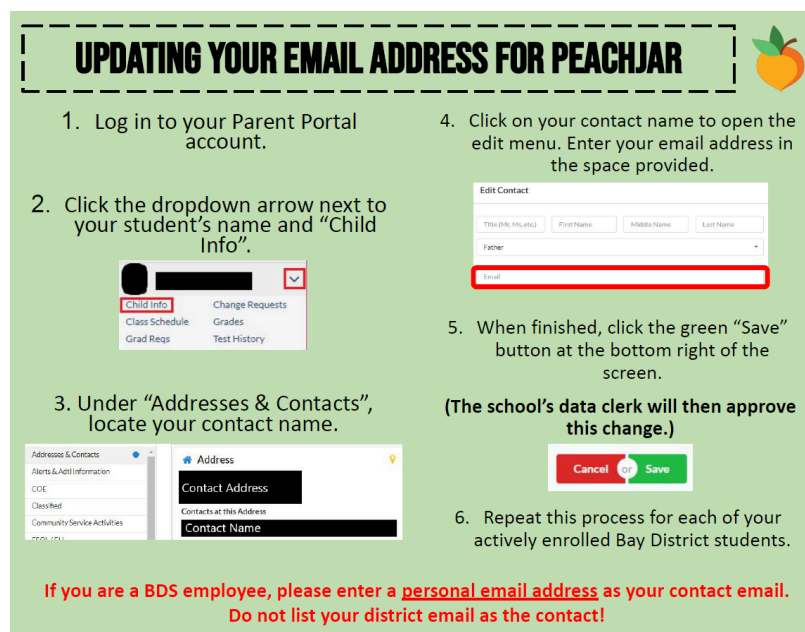

The image shows a dark blue login form with two input fields: 'Username' and 'Password'. Below the 'Password' field, there is a red-bordered box containing the text 'PARENT ACCOUNTS ONLY: Click here to reset your password'. To the right of the form is an orange 'Log In' button.

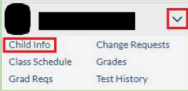

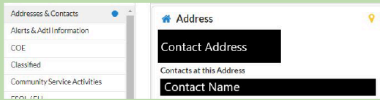

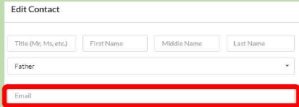

If you can still not reset your password or log in, please contact your child's school; someone there will be happy to help.

4. **Someone told me about PeachJar, but I don't get those emails. How can I fix that?**

5. **What resources can I use to stay in touch with my child's school?**

6. **How do I determine if my child has passed to the next grade?**

Look for the End of Year Status at the bottom left of your student's Quarter 4 report card. Contact your student's school with specific questions or concerns about this status.

7. **What is Launchpad, and how does my student access it at home?**

Launchpad is a one-stop-shop for accessing computer programs and online textbooks. You can find Canvas, your student's Focus account, and his/her Gmail account here. In addition, your student can access Launchpad at launchpad.classlink.com/bayschools. You will also find a shortcut to Launchpad on the Bay District Schools website.
