

# CTE NEWSLETTER

**Just the Facts:** 1/3 of CTE students are enrolled in programs preparing them for careers in leading industries! 1/3 of all high school dual enrollment credits come from CTE courses (600,000 total)

- Applied Educational Systems 2019

MAY 2019

GREAT JOB CTE TEAM!

**CTE Retiree's**  
**Ruth Haddock**  
**Karen Rhodes**  
**Jimmy Owens**

THANK YOU

CTE has some marvelous teachers who will be retiring, and though we are sad not to see them every day...We are excited for them, as they pursue their next adventures.

**Bonnie Haddock** has been teaching in Bay District Schools for 35 years! She will be retiring at the end of the school year after a highly successful career that includes multiple schools and assignments. Her impact on Deane Bozeman School has been greatly significant. As one of the original CTE teachers in Digital Design, Bonnie has provided guidance and leadership as we have expanded to include additional programs and staff. We truly appreciate Bonnie's many years of service to our school and students

**Karen Rhodes** has been a Bay District Schools teacher for 18 years. She has taught a variety of courses over her career. Most recently, she has

spearheaded the installation of the Information and Communication Technology CTE course progression for our middle school students. The program has excelled under her direction with steady growth of successful passage of industry certifications, including 83 for the 2017-18 school year. Karen is a student favorite, and her retirement will leave a huge void to fill.

**Jimmy Owens** has been with Bay District Schools for 14 years. The last 7 years at Rosenwald High School. Mr. Owens started the popular CTE Agriculture program where students learned about Leadership through FFA and how to grow their own food with their community garden. Mr. Owen has written and received an average of 7 grants a year for this program.

We want to say THANK YOU to all of you for work with our students!!!!

## UPCOMING DATES AND EVENTS

Program Evaluations were due April 26th. If you have not, please make sure that you get that turned in to me.

Last CTE Meetings of the Year  
Middle School - May 7th 4pm  
Bozeman - May 8th 8am  
High School - May 9th 4pm

CTE Leadership Team Meeting:  
May 9th 12:30 Nelson Bldg, 3rd floor.

## STUDENT SURVEYS

Last year CTE students took surveys regarding their CTE experiences and we got wonderful feedback. We are making this an annual part of participating in CTE programs.

Seniors will take a separate Survey which asks if we can follow up and see how they are doing in a year.  
Senior Link to Survey

**CTE GUEST SPEAKER  
JOSH DAVIES, TALKS TO  
STUDENTS ABOUT  
BRINGING THEIR "A"  
GAME FOR SUCCESS.**

Students pictured left are learning about making a 1% change every day and challenging themselves to be better and to weather some discomfort. Mr. Davies shared - "Everyone can improve by 1% every day and he encouraged students to focus on that 1% improvement and to think about that 1% goal. He shared that research showed CTE students had the best workplace skills and soft skills to be successful!

**MOSLEY ENTREPRENEURS VISIT THE  
EXPERTS AT MAKING MONEY IDEAS A  
REALITY**

Mosley High School Entrepreneurship Students visit "Tech Farms" where they toured and learned about making their ideas into a business. Jennifer Hall's students will be taking their first Industry Certifications tests this year in "Quickbooks."

**INVENTION CONVENTION
