Payment for the upcoming week must be paid Monday or Tuesday. In case of absence, payments must be made at the site on the day of return. A late fee may be assessed if the full amount due is not paid by the due date.

Payments can be made in the form of cash, checks, money order or through our online payment system. When paying in cash, the Parent/Guardian is required to sign or initial the Bay Base receipt indicating the amount of cash being paid. Although exact change is not a requirement, it is appreciated. When writing a check, include your driver's license number. Over the counter or temporary checks will not be accepted. Payments are also accepted online using a credit or debit card through your School Care Works/DayCare Works portal (see page 11 for link). Late fees may not be waived due to online payment issues.

**Your child (ren) may be withdrawn from the program when fees are delinquent for two (2) weeks. Fees are considered delinquent when two (2) consecutive payments have been missed. Any student withdrawn from the program may be required to pay another registration fee.**

## AUTO-PAY

You will have the option to enroll in auto-pay through the School Care Works portal. Funds will be drafted automatically on Tuesday of each week. **If you choose to save your card to the School Care Works portal, you are enrolling in auto-pay.**

## LATE FEES

Late fees will be charged weekly on Wednesday. Anyone with a balance greater than (0) zero on their ledger will be charged a \$10.00 late fee at this time. Only one late fee will be waived by the Bay Base site manager per family per school year.

## RETURNED CHECKS

Returned checks will be turned over to "Safe-Chek" for collection. Safe-Chek policies include:

- Minimum \$25.00 fee added
- Checks will be electronically redeposited without further notification
- Recovery fees are assessed and debited from bank account

If you have any questions about a returned check please call 1-800-388-2174 or visit [www.paycbs.com](http://www.paycbs.com). Bay Base will make every attempt to assist Safe-Chek in the collection of all returned checks.

## INCOME TAX INFORMATION

As of January 1, 2018, Bay Base will no longer provide tax information. Parents may access this information online through their School Care Works/DayCare Works parent account or by maintaining their receipts. **The tax ID number is 59-6000511.** Use Bay District Schools as the child care provider with 1311 Balboa Avenue Panama City, Florida 32401 as the address.

## CLOSURES

If Bay Base is open three or more days in one week, you will be required to pay the full weekly rate. If a holiday falls on a weekend, it may be observed on the Friday before or the Monday after. Signage will be posted at each Bay Base site in the event of a closure for a holiday.

Labor Day	Christmas Day	Independence Day
Veteran's Day	New Year's Day	
Thanksgiving	Martin Luther King Day	
Christmas Eve	Memorial Day	

## TRANSITION DAYS

Bay Base is closed several days before and after the school year program. Signage will be posted notifying parents of these dates.

## **DISTRICT OFFICE CLOSURES**

The district office is closed approximately 4 weeks per year: two weeks at Christmas, Spring Break and one week in conjunction with the 4th of July week. During these weeks, Bay Base is still operating, with the exception of Christmas Eve, Christmas Day, New Year's Day, and the 4th of July. The district office is also closed every Friday during the summer months.

## **CLUSTER SITES**

Bay Base is open for full day programs and most of the in-service and holidays that school is closed for. We call these days Cluster Site Days. Because the number of children that attend on one of these holidays or in-service days is much lower than the number of children that attend our afterschool program, we reduce the number of open sites during these days. In the weeks leading up to the holidays or in-service days, information will be posted and provided to parents/guardians regarding registration for these days as well as which sites are open. You may select any site that has availability for your child/ren to attend. Attendance for cluster site days is optional, but if a child (ren) is signed up to attend, the fee (if applicable) for the day/week may be charged. Meals will not be provided to cluster sites during cluster site days. Students must bring their own lunches, snacks and drinks.

During cluster sites, students may not be dropped off later than 9:00 AM unless prior approval is given by the site manager and/or the coordinator.

## **PAYMENT FOR CLUSTER SITES**

Payments for Thanksgiving, Christmas, and Spring holidays will be assessed at the full day rate. During Thanksgiving, Christmas and Spring Break, full time students may attend on a day by day basis provided they sign up for specific days during the sign-up period. Payment for these days will be due in advance. If you sign up to attend during one of these clusters and your child does not attend, you will be charged 50% of the designated fee.

## **HOLIDAY & IN-SERVICE DAY RATES**

The fees for Cluster Site Days will be at the summer rate. \$90 per week for the first child in the family and \$65.00 per week for each additional child in the family. Full time students may attend on a day by day basis during Cluster Sites Days, provided they sign up for specific days during the sign-up period. The fee for specific days is \$30.00 per child per day

## **FIELD TRIPS**

The cost of all special events/field trips is included in the weekly fee. ALL students who participate in field trips must be transported to and from the activity as part of the group. **Child (ren) cannot be dropped off or picked up from the field trip site, unless prior approval has been given from the Bay Base site manager or Bay Base Coordinator. For safety reasons this request can be denied. ALL students will be required to have a "Student Emergency Information Card" form on file prior to participating in field trips. Field trip privileges may be revoked due to poor behavior at any time.**

All field trips are published in advance. Bay Base staff will be supervising field trips, so there will not be an organized program available during field trip times.

## **WATER DAYS**

Certain days will be designated as "water days". Children will be allowed to wear bathing suits and flip flops on water days; however, they will need to bring a change of clothes, a towel and a labeled plastic bag for wet clothing. Water day privileges may be revoked due to poor behavior at any time.

## ATTENDANCE PROCEDURES

Attendance will be taken daily by a staff member. **Children are not our responsibility until they are checked in by a staff member.** Students checked out from school before the end of the day for an appointment **may not** be dropped off at Bay Base after school unless the staff is notified in advance. **Any student who does not attend school or is checked out due to sickness, head lice or any infectious disease MAY NOT attend Bay Base that day.** **Students sent home, suspended or expelled from school may not attend Bay Base.** Students absent five (5) consecutive days without notification may be withdrawn from the program.

## PICK-UP PROCEDURES

Bay Base uses the BDS Parent Portal contact list as your contact/pick up list. When you enroll your child(ren) in the Bay Base program, you will list the names of all persons authorized to provide pick-up services on your BDS parent portal. This is the same list that is used for the school day. Parents/guardians should list many contacts to cover any emergency that may arise.

Authorized persons are required to sign the child(ren) out when picking them up and must be prepared to present their picture ID. The following procedures will be followed when picking a child up:

- Parents/Guardians/Authorized Persons **must come into the site** to sign the student out. **Children will be released by an authorized employee only to those persons listed on the Bay District Schools parent portal.** It is the parents'/guardians' responsibility to maintain current contact information.
- Should a situation occur in which a person does not have proper identification or is not listed in parent portal, the student **will remain** at the site until a Parent/Guardian/Authorized Person arrives.
- No child is to be taken from the Bay Base site without the knowledge of a staff member. Violation of the policy will result in dropping the child from participation in Bay Base.
- Bay Base students will not be permitted to sign themselves out and walk home.
- When a student is picked up from Bay Base, they will not be permitted to return the same day without approval from the Site Manager or the Coordinator.
- Parents are not allowed past the designated parent waiting area while waiting for their child (ren).

## VACATION POLICY

Vacation fees are charged to hold a space if your child(ren) is absent for a full week. The fee is 50% of the weekly fee. A full week is defined as Monday-Friday.

While we no longer offer drop in status, in emergency situations the coordinator may approve a daily rate of \$20 per child per day in the school year and \$35 per child per day on a full day program or in the summer.

## LATE PICK-UP FEE POLICY

Any parent/guardian picking up their child(ren) after the closing time will be charged a late fee of \$1.00 per minute per child, **due immediately.** The Bay Base site manager may, in extenuating circumstances, approve payment no later than the following day. If a child is picked up late by fifteen minutes or more **four (4) times** (s)he will be dismissed from the program. The school clock will be used for the official time. If a child remains in Bay Base after closing time, every attempt will be made to contact all individuals on the BDS parent portal. If contact is not established within 30 minutes, the police will be called.

## OUTSIDE PROVIDERS

Outside providers may include agencies such as the Department of Children and Families Services, or one of the counseling agencies. Any agency wishing to have contact with students must have a "Memorandum of Understanding" with Bay District Schools. One exception to this rule is the **Department of Children and Families** may speak to and/or remove any child from Bay Base sites with proper identification and paperwork.

## **WEATHER ALERT INFORMATION**

In times of inclement weather, parents/guardians should monitor all media coverage for school closures. If school closes, Bay Base closes. Should inclement weather arise during Bay Base hours, the program may need to close. If such a situation should occur, parents/guardians will be notified. **CHILDREN SHOULD BE PICKED UP IMMEDIATELY.**

## **HEALTH POLICY**

**If a child is sick, (s)he should not be at Bay Base.** We will consider a child sick if (s)he exhibits any of the following symptoms: **(1)** fever of 100 degrees F or more, **(2)** vomiting, **(3)** diarrhea, **(4)** dizziness, **(5)** rash or “breaking out” (without parent explanation), or **(6)** complaint of severe aching of ear or tooth. We realize it is difficult for working parents/guardians to deal with sick children; however, we must consider all parents/guardians and children in order to maintain a healthy environment. Should a child soil his/her clothes and extra clothes have not been provided, the parent/guardian will be notified to bring additional clothing immediately and/or take the child home.

**Students who do not attend or are checked out of school due to illness may not attend Bay Base.**

## **FIRST AID/MEDICATION**

No staff member is allowed to dispense medication to any student, even upon request from the parent/guardian, unless a permission to administer medication form is on file. The medication must be delivered **by an adult** to the Bay Base site manager in the original container and be kept in a locked cabinet. Trained staff members will be designated to dispense medication.

A complete record must be kept on the reverse side of the form indicating when medication is administered and by whom.

Staff members may clean scrapes, wounds, or scratches with soap and water ONLY. Use of alcohol or ointments/creams is prohibited.

SCHOOL BOARD POLICY 7.302 WILL BE FOLLOWED IF A CHILD BECOMES ILL OR INJURED ON A BAY BASE SITE. THIS INCLUDES THE NECESSITY OF:

1. Administering reasonable first aid
2. Notifying the parent/guardian or legal custodian of the student
3. Call 911 if neither parent or legal guardians, nor a responsible adult can be reached
4. Transportation guidelines in Section 6.302 of the School Board Policy shall be followed under non emergency situations
5. Notifying the County Health Department immediately in the case of an animal bite.

Bay County School Board form BUS.0898.020 (Accident Report) will be filled out immediately by the Bay Base site manager and sent to the Bay Base District Office.

## **REQUIRED FORMS**

Each Bay Base student is required to have a current “Print/Digital Likeness” form and an original signed “Student Emergency Information Card” form on file in order to participate. Due to their importance, failure to return these forms in a timely manner to the site manager may result in dismissal from the program.

## **HEAD LICE AND NITS/INFECTIOUS DISEASES**

Bay District School Board Policy 7.302 states:

“The following circumstances require exclusion from school: a. Live Head Lice. Any student with live head lice shall be temporarily excluded from attending school. Students with live head lice may not participate in school sponsored activities, or ride the school bus until the student has received treatment for head lice. b. Nits at the base of the hair follicle. Any student with nits at the base of the hair follicle will be temporarily excluded from school. Students with nits at the base of the hair follicle may not participate in school sponsored activities, or ride the school bus until the student has received treatment for head lice.

To be readmitted to school, the student must be free of head lice and nits at the base of the hair follicle. When returning to school, the student must be checked by the school nurse or designee. The Parent must be present. The student may remain at school only if they are found to be free of head lice and nits at the base of the hair follicle. Final readmission decisions shall be made at the principal’s discretion.

If the student is found to still have head lice or nits at the base of the hair follicle, the school nurse or designee shall contact the student’s parent to discuss continued treatment.

The school principal or his/her designee shall investigate the absence of a student who is absent from school in excess of three days because of head lice or nits at the base of the hair follicle.”

**Students sent home from school due to head lice may not attend Bay Base until cleared by the school front office.**

**Parents/guardians are required to pick their child(ren) up immediately when notified that their child(ren) are infested with head lice or any infectious disease such as scabies, measles, chicken pox, pink eye, etc.**

Should a parent/guardian repeatedly fail to pick up a child after being notified of sickness, head lice, or any other infectious disease, a Bay Base site manager has the authority to inform the parent/guardian that their child may no longer attend Bay Base. The health and safety of all Bay Base students must be taken into consideration.

## **ACCIDENT REPORTS**

Accident Reports will be provided upon request. They can be available for pick up in 24 to 48 hours.

## **PERSONAL ITEMS**

The use of electronic devices is prohibited at Bay Base. Students may bring toys only on days specified by Bay Base staff. Bay Base should encourage parents/guardians to label toys when possible. Bay Base staff will not be responsible for lost, stolen, or broken toys, personal items. During the full day and summer programs students may bring: hats/caps, sunglasses, sunscreen, afternoon snacks, and water bottles to school. Please ensure they have been labeled. **For safety reasons, we ask that students wear closed toed shoes.**

## **DISMISSAL**

Bay Base is an after school service offered outside the educational day. Your child (ren) may be dismissed from the Bay Base program for non-payment, unacceptable behavior, late pick-up or extended absence without notification. He/she may also be dismissed should a parent/guardian violate the civility policy, or repeatedly fail to pick-up a child after being notified of soiled clothes, sickness, head lice or infectious disease.

## **CIVIL CONDUCT**

“Bay District Schools staff will treat parents, students and other members of the public with respect and expect the same in return. The District must keep school and administrative offices free from disruptions and prevent unauthorized persons from entering school/district grounds. Florida law provides a criminal penalty for persons who, without legitimate reasons, enter a school campus or facility and create a disturbance or refuse to leave when directed to do so by the principal or person in charge. Accordingly, this policy promotes mutual respect, civility and orderly conduct among district employees, parents, students and the public. The District does not intend this policy to deprive any person of his or her right to freedom of expression. Rather, the district seeks to maintain, to extent possible and reasonable, a safe, harassment-free work-place for our students and staff. In the interest of presenting teachers and other employees as positive role models, we encourage positive communication and discourage volatile, hostile, or aggressive actions. The District seeks public cooperation with this endeavor.”

The entire Civil Conduct policy with Bay District Schools can be found in School Board Policy 2.115.

## **RECORD PHOTOCOPYING COST**

Photocopying of any record will be performed upon request of person with a right to the record based on the charges as listed in School Board Policy 7.301.

## **BULLYING**

“Bullying includes cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual’s school performance or participation; and may involve but is not limited to:

1. Teasing
2. Social Exclusion
3. Threat
4. Intimidation
5. Stalking
6. Physical violence
7. Theft
8. Sexual, religious, or racial harassment
9. Public or private humiliation
10. Destruction of property

This definition is inclusive of, but not limited to, behaviors which are motivated by the victim’s sex, race, color, religion, national origin, age, disability (physical, mental, or educational), marital status, socioeconomic background, ancestry, ethnicity, gender, gender identity or expression, linguistic preference, political beliefs, sexual orientation, or social/family background, or any such traits the harasser attributes to the victim based upon the harasser’s perception of the victim.”

The entire Bullying policy with Bay District Schools can be found in School Board Policy 7.207.

## **PERMISSION FORM**

Please complete a permission form for your child to attend extra-curricular activities away from Bay Base. The permission form can be obtained from the Bay Base site manager. This form may be used for Girls on the Run, music practice or helping a homeroom teacher.

## **CUSTODY/DIVORCE ISSUES**

Fees for Bay Base services are assigned to students, not parents/guardians. Bay Base will not be involved in payment arrangements due to divorce/custody issues. Therefore, parents/guardians must make payment arrangements between themselves.

## **MANDATORY REPORTING**

All Bay District Schools employees are mandatory reporters of suspected or actual child abuse or neglect.
