GENERAL INFORMATION

YEARS OF SERVICE FOR THE PURPOSE OF COMPUTING ANNUAL LEAVE shall be interpreted to mean the years' service as an employee for the Bay County School Board in a full-time (52 weeks annually) position. Years' service in positions of employment with the Bay County School Board of less than 52 weeks annually do not qualify for annual leave and that service will not be considered when an employee transfers to a 52-week position. (Effective July 1, 1985)

TRANSFER: A transfer is the movement of a current, regular employee from one position to another. A current regular employee moving from one employee category or placement schedule to another will be placed using verified, relevant experience.

BREAK IN SERVICE: Following the last contract day for the employee type, there is a break in service for the employee if they are non-renewed. In addition, a resignation or termination results in a break in service.

SPECIAL CONTRACTS, as used in this Placement Schedule, are defined as contracted work performed by instructional employees in excess of the regular 196-day schedule contract.

NORMAL WORK WEEK is defined as beginning on each Sunday and extending through the next Saturday. Employees assigned beyond a forty (40) hour work week shall be compensated at time and one half their regular hourly rate of pay or compensatory time.

ADMINISTRATIVE EMPLOYEES TRANSFERRING BACK TO AN INSTRUCTIONAL POSITION:

If a certified administrator is moving back to an instructional position, either voluntarily or involuntarily, the following will determine the placement for salary and experience purposes.

- Credit for previous years of verified and approved instructional and administrative experience will be used, providing the years meet the Human Resources guidelines.
- The employee will be returned to the contract status previously earned (annual or continuous). Those on continuous employment, "Grandfathered", will be offered the option to switch to the Performance Pay Schedule annually between contract years.
- Employees who previously earned additional pay for advanced degrees will be placed back on the same method of payment, or supplement, for degrees for which they were previously paid.

DIRECT DEPOSIT: Direct Deposit participation is mandatory.

As of October 1, 2022, personnel will be paid at the minimum hourly rate of \$15.00 per hour. This rate has been established based upon Chapter 2022-156, Laws of Florida.

NOTE:

Temporary help will be paid at the "0" experience level on the lowest level paygrade for the classification for which they are hired.

This applies to returning instructional staff and newly recruited instructional staff. Bonus payments will begin within two pay periods of the release and finalization of school grades and pro-rated accordingly for late hires.

A current 12-month administrator moving to a lesser pay grade on Salary Placement Schedule 2 will either have their current salary decreased by the amount equal to the difference between the current pay grade and the new pay grade at the zero (0) level OR will be placed using related experience at the new pay grade, whichever will benefit the employee.

A current 12-month administrator, who previously moved to another 12-month administrative position and was placed at a lesser pay grade on Placement Schedule 2 per the placement language approved on July 1, 2017, which would have benefitted from the new language that calculates the difference between the current pay grade and the new pay grade at the zero (0) level will be recalculated and adjusted upon Board approval.

The Administrative Placement Schedule 2 will be used to determine an employee's beginning salary for the following situations:

- an administrator being hired from outside the District
- an employee that is currently being paid from another Salary Placement Schedule
- an employee that is changing from a 10-month pay grade to a 12-month pay grade or a 12-month pay grade to a 10-month pay grade within the administrative schedule
